~ Stefanie ~

You have come such a long way from your first recital when you and your brother played patty cake on stage and did almost none of your dance. You have been such an inspiration to your students and to me. I appreciate all you did for me this year and I loved combining our creative juices in the choreography. We are a great team and I love to once again share the stage with you. Always be you and never change.

Love,
Mom, Dad, Louis &
Paris

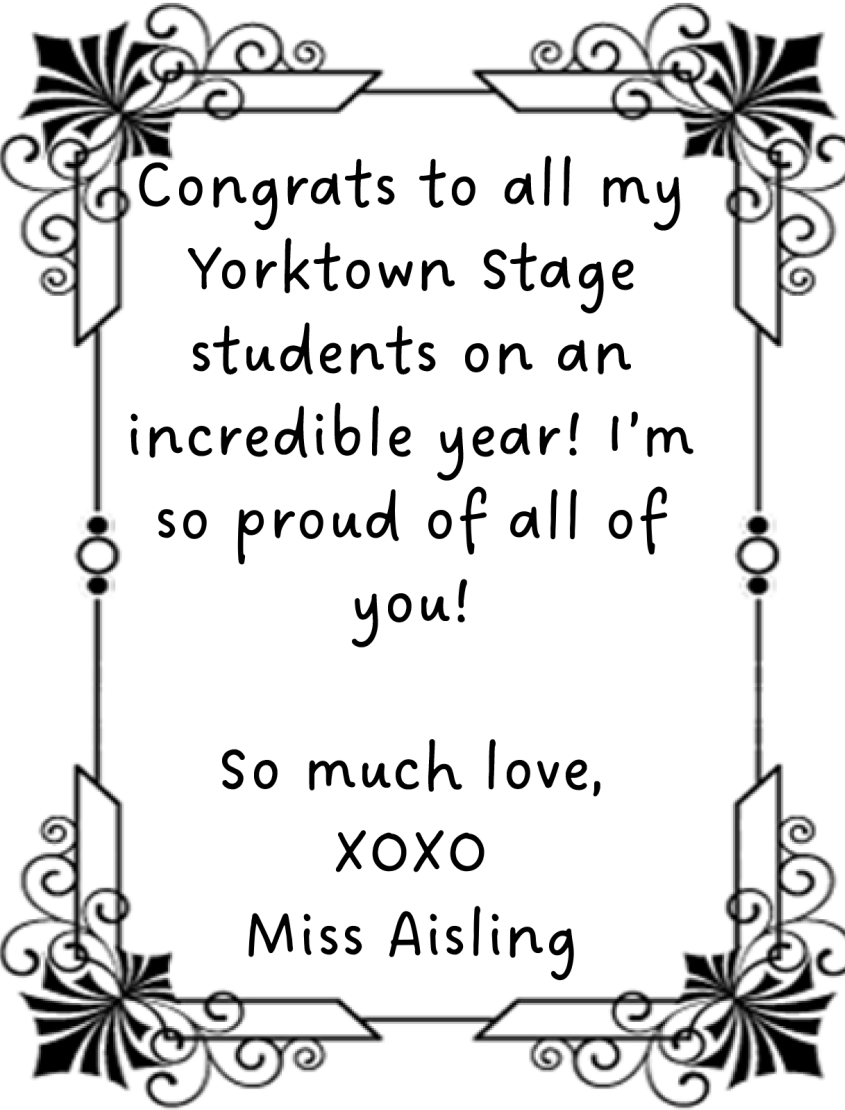

*Congratulations,
Meghan!*

We should consider every day lost on which we have not DANCED at least once.
